I love the ide of Coastopia! Thanks for the intro. I would love to meet Jessica at some point. But fear we are ships passing. I am headed to Peru next week for a wedding.

But if there is anything I can do or any specific things you want to learn more about while here, let me know.

Jessica Lappin of [Alliance for Downtown NY](#), I'd like to introduce you to Jessica Lall of the [Central City Association](#). You two have much more in common than initials and should definitely be connected. Lall is visiting NYC next week, so if Lappin is around, you all should meet to work out the details of a bi-coastal alliance for the creation of the new nation of Coastopia!

Enjoy!
